

**F. Report of student immunization status** - Each admitting official shall, within 30 days of the beginning of each school year or entrance of a student, or by October 15 of each school year, file with the State Health Department through the health department for his locality, a report summarizing the immunization status of the students in his school. This report shall be filed on Form SIS 1, the Student Immunization Status Report, and shall contain the number of students admitted to that school with documentary proof of immunization, the number of students who have been admitted with a medical or religious exemption, and the number of students who have been conditionally admitted.

#### **§ 4.2 Responsibilities of physicians and local health departments.**

**A. Documentary proof for students immunized in Virginia** - Every physician and local health department providing immunizations to a child shall provide documentary proof, as defined in § 1.1, to the child or his parent or guardian of all immunizations administered.

**B. Documentary proof for out-of-state students** - For a student transferring from an out-of-state school to a Virginia school, the admitting official may accept as documentary proof any immunization record for that student which contains the exact date (month/day/year) of administration of each of the required doses of vaccines when indicated and which complies fully with the requirements prescribed under § 3.1. Any immunization record which does not contain the month/day/year of administration of each of the required vaccine doses shall not be accepted by the admitting official as documentary proof of adequate immunization with the exception of immunization against Hib. Such a student's record shall be evaluated by an official of the local health department who shall determine if that student is adequately immunized in accordance with the provisions of § 3.1. Should the local health department determine that such a student is not adequately immunized, that student shall be referred to his private physician or local health department for any required immunizations.

### **Part V PENALTIES**

#### **§ 5.1 Exclusion of students.**

Any student who fails to provide documentary proof of immunization in the manner prescribed, within the time periods provided for in these regulations and §§ 22.1-271.1 and 22.1-271.2 of the *Code of Virginia*, shall be excluded from school attendance by the school's admitting official.

#### **§ 5.2 Exclusion of students unprotected against vaccine-preventable diseases.**

In accordance with § 32.1-47 of the *Code of Virginia*, any student exempted from immunization requirements pursuant to § 3.2 A. of these regulations, shall be excluded from school attendance for his own protection until the danger has passed, if the commissioner so orders such exclusion upon the identification of an outbreak, potential epidemic or epidemic of a vaccine-preventable disease in that student's school.
